Q22. Please indicate how much you support or oppose each of the following policy ideas: Police need to be held accountable for their actions when they kill or abuse (Black/African American) people. We should get rid of laws that make it hard to prosecute police officers, so they face justice like everyone else.

Q55. How much do you agree or disagree: The pandemic is affecting everyone, and we need a response that includes everyone, citizens and non-citizens alike. We are weaker when politicians work to divide us. To defeat the pandemic and rebuild, we need all of us, no matter your race or where you are from, included in any relief and response. That is how we save as many lives as possible and achieve a real health and economic recovery.

Q56. How much do you agree or disagree: In 2020, some politicians said they would help middle class and working families deal with the pandemic, but instead gave huge bailouts and tax cuts to corporations and the wealthy.
