Q55. How much do you agree or disagree: The pandemic is affecting everyone, and we need a response that includes everyone, citizens and non-citizens alike. That is how we save as many lives as possible and achieve a real health and economic recovery.

Q56. How much do you agree or disagree: In 2020, some politicians said they would help middle class and working families deal with the pandemic, but instead gave huge bailouts and tax cuts to corporations and the wealthy.
